INTERVIEW SUMMARY

Dear Sir:

On June 25, 28, and 29, the undersigned and Examiner Gilberto Barron held a telephone interview at the Examiner's request, to discuss claim amendments that would put the case in condition again for allowance. We reached agreement on the attached set of claim amendments, which the Examiner indicated would be entered by way of an Examiner's Amendment. As discussed with the Examiner, Applicant reserves the right to pursue the subject matter of this invention without these amendments, and any other subject matter disclosed by this application, in a continuation application.

Applicant thanks the Examiner for his time and assistance with this matter.

Respectfully submitted,

**McDONNELL BOEHNEN
